

Salt River Fire Department EMS Policies and Procedures

Cell Phone USE

08/2012

404.01

Overview

The Salt River Fire Department has purchased cell phones for the response vehicles for the sole purpose of contacting medical control, receiving hospitals, transmissions of 12 lead EKG, and station/fire department work related situations.

Cell Phone Procedures

The cell phones that have been purchased for the Salt River Fire Department apparatus are community owned and under community cell phone plans. These phones are to only be used for official departmental use and not for personal use. The call logs are under a tracking system through the community any improper use can result in disciplinary action.

Under the current plans please do not:

- Text
- Surf the Web / Face-book / Gaming (Social Networking Policy)
- Take photos unless authorized by the fire chief
- Long distance calling

The cell numbers for the rescues are:

- R 291 480-628-0269
- R 292 480-628-4196
- R 293 480-628- 7524
- R 294 480-628-6733

Please check the phones each day and log the information in the rescue's REDBOOK.
